**Race Quotes**

**Winning horse: Silver Time**

**Winning jockey: John McKee**

“All the credit goes out to (trainer) Jeff (Barkley). He just told me to take her out there and let her be comfortable. She has a lot of speed anyways. When she changed to her left lead, she gave me another gear. I think that made all the difference today.”

**Winning trainer: Jeff Barkley**

“She had been doing really good off of her last race. It looks like a mile isn't her cup of tea, so we'll keep her sprinting. She likes the surface here a lot. It looks like the outside is the best place to be today. John (McKee) did a real good job keeping her out there.”

**2nd horse: Proud Heiress**

**2nd jockey: Rodney Prescott**

“She had a good trip. We thought it would set up good for her with all the speed in the race. There was a lot of time between races because there wasn't anything else for her. I think she would have won with another race, but no big excuse.”
