Race Quotes**

Winning horse: Exhi

Winning jockey: Russell Baze

“He showed good speed today. Calvin’s horse (Activity Report) blew the turn and I was able to stay to the inside. He took the bit then and wanted to run, but I was able to get him to relax. He was very game.”

Winning trainer: Michael McCarthy (assistant to trainer Todd Pletcher, who is in Dubai)

“Everything worked out well. I thought Russell Baze rode a super race. He followed the instructions perfectly. He kept him quiet leaving the gate and settled him going down the backstretch. I was surprised he made the lead so soon, but he was just the best horse on the day. As for what’s next, I don’t know.”

2nd horse: Lonesome Street

2nd jockey: Cornelio Velasquez

“I was in good position down the backstretch. At the 5/16ths I got in the clear, but Russell Baze had too much horse in front of me. He finished well, but I just couldn’t get to the winner. The inside is a little deep, so I got out in the first turn.”

2nd trainer: Mike Maker

“Same story as in the Bourbonette. My horse ran his race and was second best. We’ve got a lot of options with him looking ahead. I could run him on the turf or maybe even in the Lexington.”
