The Kentucky Thoroughbred Development Fund

Horsemen with Kentucky-sired Kentucky-breds have more purse money to run for in allowance, non-claiming maiden, and stakes races less than \$100,000-added in Kentucky through the Kentucky Thoroughbred Development Fund program.

In Allowance Optional Claiming races, horses entered for a claiming price are not eligible for KTDF distribution.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

A horse must be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion that stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, the Thoroughbred Breeders of Kentucky, by contacting:

Mr. David Switzer, Executive Director
Kentucky Thoroughbred Owners and Breeders
4079 Iron Works Parkway, Bldg. 301
Lexington, Kentucky 40511
800-552-3781 or 859-381-1414

Registration applications may also be obtained from the Horse Identifier or may be completed on line at www.kta-ktob.com (as well as registration status of a horse).

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows:

60%to the winner
20%.....to second
10%..... to third
5%.....to fourth
3%.....to fifth
Remaining 2%divided among sixth through last

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund.

OUT OF COMPETITION TESTING

810 KAR 1:110

Pursuant to 810 KAR 1:110, the Kentucky Horse Racing Commission (the "KHRC") is authorized to conduct "out of competition" testing on any horse that is eligible, or that may become eligible, to race in Kentucky. A horse is eligible to race in Kentucky if it is under the care, custody or control of a trainer licensed by the KHRC; or is owned by an owner licensed by the KHRC; or is nominated to a race at an association licensed by the KHRC; or has raced at an association licensed by the KHRC within the previous twelve calendar months; or is stabled on the grounds of an association or training center subject to the jurisdiction of the KHRC; or is nominated to participate in the Kentucky Thoroughbred Development Fund. The KHRC is authorized to test for blood doping agents, venoms and their derivatives, and growth hormones. The regulation also prohibits possession of the foregoing substances, as well as whole blood or packed red blood cells, on the grounds of an association or training facility subject to jurisdiction of the KHRC. A horse designated for testing must be made available for sampling at a mutually agreed-upon location within six hours of notification that it has been designated for testing. If a horse is not made available for testing, or if there is any other failure to cooperate with the KHRC, the individual(s) responsible will be penalized to the full extent allowed by the regulation. If a horse tests positive for a prohibited substance, the owner and trainer are notified of the test results, and the horse is placed on the Veterinarian's List pending a steward's hearing. The owner and/or trainer have the right to split sample analysis, as set forth in 810 KAR 1:018/811 KAR 1:090. If the positive finding is confirmed, serious penalties shall be imposed, including but not limited to, the revocation of the violator's license for a period of five to ten years. The regulation can be found in its entirety at: <http://www.khrc.ky.gov>.

TURFWAY PARK DATE PREFERENCE SYSTEM

Foal certificates no longer are required to be on file in the Racing Office to enter or start at Turfway Park; however, foal certificates must be on file to obtain a preference date or to have a horse tattooed.

Each day's overnight will list the dates of horses in and on the also-eligible list to enable trainers to see what dates are getting horses into over-filled races.

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Turfway Park will be assigned a preference date. A horse can have only one date at any one time. Dates will be of two types:

E-Date

This date will correspond to a) the date on which a horse's foal papers and name card are submitted to the Identifier (their earliest date being the day when entries are first taken for the meet); b) the day on which a horse is first entered if his papers are not on file with the Identifier. To qualify for the latter E-Date, a horse must have been excluded from a race that appears on the overnight or been entered in a condition book race which failed to fill through insufficient entries.

R-Date

This date will correspond to the day of a horse's most recent race at Turfway Park. An R-Date also will be assigned to a horse that scratches.

3. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers are removed

from the Identifier's office will lose his date and must then re-establish a date to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another race track will forfeit any date they may have at Turfway Park. Additionally, horses racing at Turfway Park without foal papers on site will not retain their R-Date.

4. Preference dates are good for any type of race or distance (other than maiden dates).
5. Maiden dates will be kept separately and will not have preference in winners races.
6. No E-Date will be assigned to the second choice of an un-split same-owner entry.
7. A horse placed on a list (Veterinarian, Steward, Starter or Paddock Judge) will lose its date and be assigned an R-Date corresponding to the day removed from the list.
8. Horses on the Also-Eligible List shall be permitted to draw into races and will be assigned post positions in the order of their dates, earliest dates first.
9. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain his previous date.
10. The draw of stake and handicap races is not subject to date preference.
11. Preference dates are transferred through change in ownership and changes in trainer only after the proper transfer procedures have been completed through the Stewards office and delivered to the Racing Secretary's office.
12. Date preference rules will not supersede KHRC rules regarding preference, eligibility or scratches.

PURSE MONEY DISTRIBUTION

Turfway Park pays all starters in accordance with the following table (association purse money).

- **KTDF** purse money will be awarded in accordance to the schedule outlined by the Kentucky Thoroughbred Owners and Breeders.
- **Stakes Race** purses will be distributed according to the distribution described in the Stake heading.
- In **Allowance Optional Claiming** races, horses entered for a claiming price are not eligible for KTDF distribution.

TATTOO BILLING PROCEDURE

All owners whose horses are tattooed during the Turfway Park meet will be charged \$68 per horse, payable at the time the horse is tattooed. If the horse is tattooed at Turfway Park on race day, the cost may be charged through the horsemen's bookkeeper. Any horse tattooed off the grounds (e.g., at Keeneland, The Thoroughbred Center, Churchill Downs, Highpoint, etc.) must be paid for at the time the horse is tattooed.

TURFWAY PARK AFTERCARE FUNDING PROGRAM

Summary

Turfway Park and its horsemen understand the value of supporting resources whose mission is to provide humane care to retired racehorses. The following process will provide financial support for agencies that work directly with Turfway Park horsemen to assist with care and relocation of retired Thoroughbred horses.

Process

1. The horsemen's bookkeeper will assess \$1 per starter from the owner's account, to be held in the Turfway Aftercare Program (TAP) account. If an owner does not wish to participate, he or she may contact the horsemen's bookkeeper to opt out of the program.
 2. Turfway Park will contribute \$1 per starter to the TAP account.
 3. Turfway will accept independent donations to the TAP fund.
 4. At the end of the calendar year, the balance of the fund will be apportioned to the agencies that have accepted horses from Turfway Park horsemen. This includes horses transferred to the agencies through our surrender stall program and horses surrendered directly to the agencies by trainers/owners who properly identify the horses as *Turfway horses*.
 5. *Turfway horses* are those who last raced at Turfway Park, are turned in to our surrender stall, or are stabled on our grounds.
 6. The agencies will provide Turfway with a disposition report for all horses entered into their program from Turfway Park horsemen. We will ask for mid-year and end-of-year reports from all participating agencies. The reports will
 - a. identify the percentage of horses received by each agency; and
 - b. validate that the agency is meeting its mission by properly advancing horses that can be retrained.
 7. The allocation will be based on the percentage of horses taken by each agency in a calendar year.
- A detailed report concerning funding and disposition of TAP horses will be provided to the horsemen in January.
